

## Beast Academy schools are moving to a new home!

Earlier this year, we shared that Beast Academy school accounts are moving to [beastclassroom.com](https://beastclassroom.com) — a new site built exclusively for our school and district partners.

### What you need to know

Beast Academy will be unavailable on **June 25–26** while we transfer school accounts to the new platform. Following the migration, you'll access your account like usual on the new site:

- Your username and password will remain the same.
- Your subscription, rosters, and student progress will be preserved.
- If you use Clever or ClassLink for SSO or rostering, your Beast Academy app will automatically update to Beast Classroom.

### What to expect from us

The School Success Team will reach out before the switch with next steps, so keep an eye on your inbox. In the meantime, feel free to check out the new site!
