Guide 5D: Chapter 11, page 55

More or Less is a card game for 2 players which uses two game boards, a \ominus marker, and 20 cards from a standard deck (Ace through 5 in all four suits; Aces count as 1's). The goal is to be the first player to play all the cards in your hand.

Cut out the \ominus marker below, and cut the next page in half to create your game boards!
