SHAPES Reflections (fllps)

Practice reflecting across a diagonal (slanted \or / ) line below. It may help to turn your book so the mirror line is horizontal - or vertical |).

## PRACTICE

Connect dots below to flip each shape across the dashed mirror line.

SHAPES
MIRROR WRITING
Try reflecting letters and words.
Then, look at them in the mirror!
56. Draw a reflection of the letter G.

58. Draw a reflection of the letter R.

57. Draw a reflection of the letter W.

59. Draw a reflection of the letter K.

60. On the left, draw your first and last initials. Draw their reflection on the right.

61. Reflect the word "BEAST" across the dashed mirror line.

62. Write a short word of your own and reflect it across the dashed mirror line.

63. Discuss: How can you hold this book up to the mirror so that the letters and words in the blue dots look correct in the mirror? Is your answer different for the page on the left than for this page?

More: Which letters look the same reflected left-to-right? Which letters look the same reflected top-to-bottom?
