

Human Variation Survey

Beast Academy Science 3B: Chapter 12, page 237

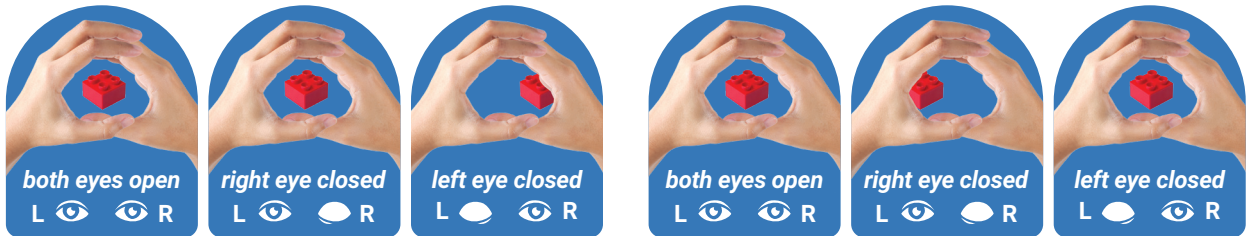

Give this survey to each participant for the Human Variation Lab from BA Science 3B.

Q1 Which hand do you use most for activities like brushing your teeth or writing?

Left handed **Right handed**

Q2 With both eyes open, look at an object in the distance. Make a ring around that object with your hands. Close one eye. When you close your dominant eye, the object seems to move out of place. When you close your non-dominant eye, the object stays in place. Which of your eyes is dominant?

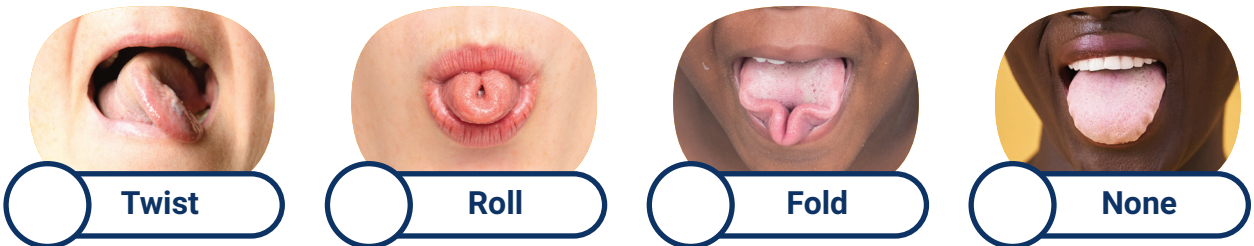

Left eye dominant **Right eye dominant**

Q3 Are your earlobes attached, free, or somewhere in-between? (Check one.)

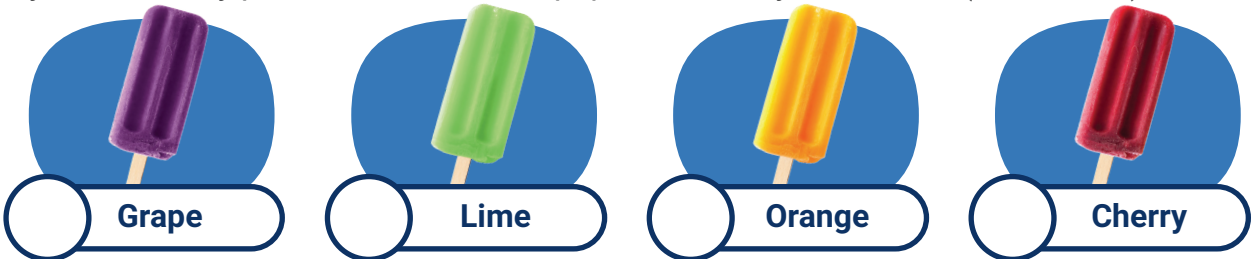

Attached **In-between** **Free**

Q4 Which of these moves can you do with your tongue? (Check one or more.)

Twist **Roll** **Fold** **None**

Q5 If you could only pick one, which flavor popsicle would you choose? (Check one.)

Grape **Lime** **Orange** **Cherry**

Attached

In-between

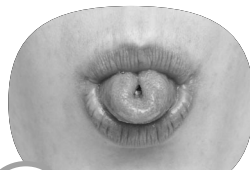

Free

Q4 Which of these moves can you do with your tongue? (Check one or more.)

Twist

Roll

Fold

None

Q5 If you could only pick one, which flavor popsicle would you choose? (Check one.)

Grape

Lime

Orange

Cherry

Human Variation Sample Data

Beast Academy Science 3B: Chapter 12, pages 236

Use this sample data if you don't have enough volunteers for the Human Variation Lab from BA Science 3B.

	Dominant Hand	Dominant Eye	Ear Lobe Shape	Tongue Moves	Favorite Flavor
Tina	Right	Right	Free	2	Orange
Andrew	Right	Right	Attached	1	Cherry
Nia	Right	Right	In-between	2	Lime
Jamaal	Left	Left	Attached	2	Grape
Vince	Right	Right	Attached	1	Grape
Sam	Right	Right	Free	3	Cherry
Aneeka	Right	Right	Attached	2	Orange
Cindy	Right	Left	Free	1	Cherry
Ronaldo	Right	Left	In-between	2	Orange
Kim	Right	Right	Attached	2	Cherry
